Long-Time Financial Executive Partners with Colleague To Open New Boutique Investment Firm

Pittsburgh/Indiana, PA October 26, 2017— Monroeville based financial and investment planning executive, Ron LoPresti, announced that he and long-time colleague, Jonathan Weiss, have joined forces to start Weiss LoPresti Capital Management, LLC. LoPresti, a Homer City native who now lives in Delmont, and Weiss, who lives in Pittsburgh, have their offices in Monroeville. They also have over 50 years of combined experience in the financial services industry and Ron is a Life Underwriter Training Council Fellow (LUTCF).

“By teaming-up with Jon to create a boutique investment company, we can now offer new and existing clients a much broader range of products and services than ever before, according to Mr. LoPresti. “Also, by becoming an independent entity we can provide clients with a level of personal investment and long-term planning insights without being beholden to a set group of funds and services,” LoPresti said.

According to Mr. Weiss, “I’ve known and worked with Ron for many years and, given the growth in our client bases, it seemed to be the perfect time for us to form our own, independent LLC.” Weiss, who lives in Churchill said, “Ron and I have always have always put our client’s goals ahead of our business goals and we now have the tools and enhanced capabilities to provide a level of service that puts us at the top of the investment services industry.”

The company incorporated in 2016 and has a significant number of investments under management. Additionally, the company manages clients throughout Pittsburgh, Indiana, western, PA and across the U.S. Both Weiss and LoPresti
